

of road to be constructed or improved is 0.369
per principal items of work are approximately as
follows: 6 Each of Prestressed Concrete Member (123 Foot - 04
Yds); 71,500 Sq. Yds. of Contractor Furnished Top
soils Type VI).

The project is to be completed in 150 working days.

Prequalification of bidders is required. Prior to any bidders
receiving plans and specifications, it will be necessary that the
bidder have on file with the Utah Department of Transportation,
completed and approved, the required Prequalification State-
ment pertaining to contractor's experience and financial con-
dition. When required, a contractor's license must be obtained
prior to bidding.

Proposal forms, plans, and specifications are on file in the
office of the Utah Department of Transportation, Salt Lake City,
Richfield, Utah where they may be reviewed by prospective
bidders. Specifications, proposal forms, and plans may be ob-
tained only at the Department Offices at Salt Lake City, upon
application and payment of a fee of \$50.00, none of which will
be refunded.

Each bidder must submit a bid bond from an approved
surety company on forms provided by the Department, or in lieu
thereof, cash, certified check, or cashier's check for not less
than 5% of the total amount of the bid, made payable to the
Utah Department of Transportation, as evidence of good faith
and a guarantee that if awarded the contract, the bidder will
execute the contract and furnish the contract bonds as re-
quired. The right to reject any or all bids is reserved.

If you need an accommodation under the American with
Disabilities Act, contact the construction Division at (801) 965-
4109. Please allow three working days.

Any additional information may be secured at the office of
the Utah Department of Transportation.
